Gentlemen:

I would also be pleased to know if any of the Hudson-Fulton Medals are still obtainable. If so, in what metals and on what terms ? I would like to know how future medals may be obtained, besides by becoming a member of the Society.

I understand that your official organ is the American Numinastic Journal. If you can send me a sample copy, I would be much interested in it.

Thanking you in advance for your kindness, I am,

Very respectfully yours,

Tremaine McDowell.

Mr. Tremaine McDowell,
The Houghton Seminary,
Houghton, N. Y.

Dear Sir:-

I have your letter of February 26. It is possible that some of the Hudson-Fulton Medals may still be obtained from the Whitehead & Hoag Co., Newark, N. J., who struck the medals.

Should you so desire it would give me pleasure to present your name to the Council for election to Associate Membership, the cost of which is Five Dollars ($5.) per year.

Associate Members ~~have~~ received the Societies publications and have the right to subscribe for its medals and in fact have all the priveleges of the full members excepting the right to vote and hold office. I enclose a card regarding Associate Membership.

Very truly yours,

Secretary.
